

# Company updates – November 2025

## User activity

● Roy Skiftun — 12

### Osland Havbruk AS

**Roy Skiftun** 14 Nov 2025 13:29

We are provider for netcleaning for Skigelstrand, their only locality in PO2.

[Open full update in Monday](#)

### Sterling White Halibut

**Roy Skiftun** 13 Nov 2025 10:22

Offered F.Aqua when it was available, was open to hire the vessel, but delayed due to restrictions from Mattilsynet. Has used Maya from Karmsund Shipping at a smaller scale.

### Tubilah

**Roy Skiftun** 13 Nov 2025 10:18

Abyss has done netcleaning. We were in a process of agreement on service vessel, but lacked capacity.

LC Aqua and Frøy has been main providers otherwise.

## AS Bolaks

**Roy Skiftun** 13 Nov 2025 08:46

Karmsund Shipping and Frøy has spent around 250 hours each at Bolaks localities, with Abyss not far behind. Use a wide range of suppliers.

[Open full update in Monday](#)

## Osland Havbruk AS

**Roy Skiftun** 13 Nov 2025 08:37

We have done both netcleaning and service work for Osland in 2025. Br.Bakke has done around 200 hours of work for them

[Open full update in Monday](#)

## Lingalaks

**Roy Skiftun** 13 Nov 2025 08:32

Use mostly in-house service vessels. Frøy(1) and Ringasund(2) has also spent around 1800 hours at Lingalaks localities in the last 12 months
